**CO. COUNSELOR:** Co. Counselor Brad Jantz indicated that it is unlikely that a question about wind energy would be eligible for inclusion on a ballot in a regular election because the County has a set administrative process for zoning. However, to be absolutely certain, an Attorney General opinion could be sought. The issue could be slated for a special election, but such an election would be non-binding and only advisory in capacity.

**PUBLIC COMMENT:** Jonah Gehring asked the cost to hold a special election. Spencer indicated that an official estimate would need to be completed, but that the cost would be well over $5,000.00 and probably a lot more.

Becker moved to adjourn. Novak seconded and motion carried 3-0. Meeting adjourned at 3:01 p.m.
