SECTION GUIDE TO FORM

A-B NAME & POSITION: Self explanatory.

C OWNERSHIP INTERESTS: The value or percentage of a business interest is to be determined at the time of the required filing. The value assigned to a holding is the fair market value. Ownership of stocks and shares including traded and closely held stocks shall constitute legal or equitable interests for the purpose of this section. In addition, all retirement accounts and mutual funds must be listed. In reporting retirement accounts and mutual funds, include the name of the entity that holds the retirement plan assets or mutual funds and not the specific holdings of that plan, unless the holdings are specifically owned in the individual's name. (See Governmental Ethics Commission Opinion 2000-52.) Business interests include, among other things, property held for rental, farming, commercial purposes and ownership of mineral rights. Also included are businesses operated out of your home. The address reported for land without a street address should include the rural route, town and state or township, county and state. **For the purpose of this section, certificates of deposit, bank savings or checking accounts in a savings and loan, shares in a credit union, life insurance policies, annuities which are not part of a retirement plan, notes, bonds, debentures and mortgages need not be disclosed under this provision.**

D GIFTS IN THE FORM OF GOODS OR SERVICES: If a gift is received for which the value is unknown, you are required to list the donor. You are not required to list the donor of a gift (1) if the gift or bequest was received as the result of the death of the donor; (2) if the gift was from a spouse, parent, grandparent, sibling, aunt or uncle; or (3) if acting as a trustee of a trust for the benefit of another.

E COMPENSATION: The disclosure required under this section shall include the name and address of the business or combination of businesses, the type of business and a description of whether the compensation was received by the individual, the individual's spouse, or both. The receipt of interest, dividends and mineral royalties does not constitute "compensation" as defined in K.S.A. 75-4301a(i), and those matters need not be reported under this provision; however, ownership interests concerning these items may need to be reported under section "C".

F OFFICER OR DIRECTOR OF AN ORGANIZATION OR BUSINESS: The disclosure under this section shall include the name and address of the business or organization and the position held. A person holding the position of administrator or executor of an estate shall not be considered reportable under this section. The holding of a position of officer or director of an organization or business includes for profit and nonprofit organizations.

G RECEIPT OF FEES AND COMMISSION: The disclosure under this section shall include the name and address of the client or customer and a description of whether the fees or commissions were received by the individual, the individual's spouse, or both. In the case of a partnership, it is the partner's proportionate share of the business, and hence of the fee, which is significant, without regard to expenses of the partnership. An individual who receives a salary as opposed to portions of fees or commissions is generally not required to report under this provision.
