

REPORT OF SURVEY

Research of the records of Marion County revealed the following:

ROADS: road on the North-South 1/4 sec. line between the SW $\frac{1}{4}$ and SE $\frac{1}{4}$ of sec. 27, T 19S, R 1E opened as road # 142 $\frac{1}{2}$ -50ft wide.

SURVEYS: survey by KDOT for Highway proj. 56-57-F062-2 (34) dated 1966 where the SW cor. and the S 1/4 cor. sec. 27 was recovered. survey by Cutsinger LS 805 in the SE $\frac{1}{4}$ sec. 27, T 19S, R 1E where Cutsinger recovered the center Cor. sec. 27. Witness ties to the W 1/4 cor. sec. 27 on file with the County Surveyor of Marion County.

FIELD PROCEDURE: I recovered the SW cor., the S 1/4 cor. and the Center corner sec. 27 from surveys cited above, I searched for the stone called for on the witness ties at the W 1/4 cor. sec. 27, the stone was not recovered, I concluded the stone had been destroyed and re-set the corner from the witness ties to this corner. I then traversed the recovered or re-set corners of the SW $\frac{1}{4}$ of section 27 to determine their positions and calculated the line between the N $\frac{1}{2}$ N $\frac{1}{2}$ SW $\frac{1}{4}$ and the S $\frac{1}{2}$ N $\frac{1}{2}$ SW $\frac{1}{4}$ sec. 27, I then set out the two tracts as directed by E.P. Klassen by setting 1/2" rebars with I.D. caps at the corners, except at the SE cor. of the North 425 ft of the East 1000 ft of the S $\frac{1}{2}$ N $\frac{1}{2}$ SW $\frac{1}{4}$ that was set 25 ft West of the corner, and except at the NE corner of the 0.615 acre tract that was set 30 ft West of the NE corner of the 0.615 acre tract. Wild T-2 theodolite used to measure angles, Topcon DM C-3 EDM used to measure distances.

WITNESS TIES TO CORNERS

Center Corner sec. 27, T 19S, R 1E
 found 1/2" rebar
 In line with old fence to East
 5/8" rebar with I.D. cap 20.0 East
 T.W. N-S road 15.0 West
 S 1/4 cor. sec. 27 2636.66 South

S 1/4 cor. sec. 27, T 19S, R 1E
 found 5/8" rebar
 spike & washer in top cor. fence post 33.70 NE
 center at East end R.C.P. 29.55 NW
 T.W. U.S. Highway # 56 34.5 S
 SW corner sec. 27 2659.8 West

SW corner sec. 27, T 19S, R 1E
 1/2" rebar at the corner
 center at top 4"x4" conc. R/W marker 66.7 NNE
 center at top 4"x4" conc. R/W marker 76.7 NNW
 in line with center of road to South
 T.W. U.S. Highway # 56 20.0 South
 W 1/4 corner sec. 27 2642.44 North

W 1/4 corner sec. 27, T 19S, R 1E
 set 1/2" rebar with I.D. cap
 Line of hedge to East 1.0 South
 Line of fence to South 19.6 West
 In center of N-S public road
 Center corner sec. 27 2653.10 East
