Metes and bounds descriptions.

The building will be seventy five feet from 220<sup>th</sup> road and one hundred twenty five feet from Pawnee road. As Pawnee runs north and south and 220<sup>th</sup> runs east and west.

4. Q: The general location may be described as.

A: The corner of 220<sup>th</sup> and Pawnee, on the north side of 220<sup>th</sup> and the east side of Pawnee.

5. Q: I request this conditional use permit for the following reasons

A: The location where the building is going to be constructed is almost less than a mile from the reservoir. Not only the location is good but the need for storage is great in this area.
