RE: Application for Variance from Zoning Regulations
#58 Lakeshore Drive, Marion, Kansas

Dear Mr. Brazil:

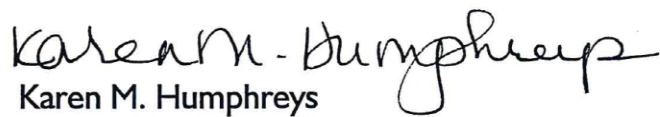

I enclose an application for variance which is being faxed on July 23, 2002 with a hard copy mailed the same date. Your attention is invited to the following information relative to the required attachments:

1. A copy of the deed to our property has been placed in the Office of Planning Commission folder by the Register of Deeds, Faye Makovec, at my request on July 23, 2002.
2. The ASCS office could not provide an aerial photograph, so we obtained a copy of an aerial photo through the Terraserver web site.
3. The processing fee of \$75 was mistakenly mailed to the County Treasurer on July 22, 2002. I will request that the Treasurer's office forward it to you upon receipt.
4. A neighbors' agreement is also attached.

Please advise us of the date for the hearing and anything else that may be required for consideration of this application. If, for some reason, you decide this application is untimely in relation to the 7/23/02 deadline because it was faxed, please advise at your earliest convenience.

Thank you for your consideration of this request for a variance.

Sincerely,

Karen M. Humphreys
