Subject: Jan. 26, 2012 Meeting

Our meeting for Jan. 26, 2012 has been cancelled. We do not have any applications for this month and nothing on the agenda. The plan is to reschedule the meal @ country lakes to our Feb. 23, 2012 date. I will send more information out in packets. Hope everyone is off to a great new year!

Our regulation changes are underway. We surprisingly had to publish another public meeting, a county commission public meeting to adopt the regulations by reference instead of publishing the entire book in the county paper. This is scheduled with the county commissioners Jan. 17, 2011 @ 1pm. Yearout will be there also to address any concerns or questions the public may have.

FROM THE DESK OF:

Tonya Richards, Director, CFM
Marion County
Planning & Zoning
Environmental Health
Certified Floodplain Manager
Certified Asbestos Inspector
