

April 21, 2006

Mr. David Brazil
Marion County Planning and Zoning Board
320 W Santa Fe
Marion, Ks 66861

Dear David:

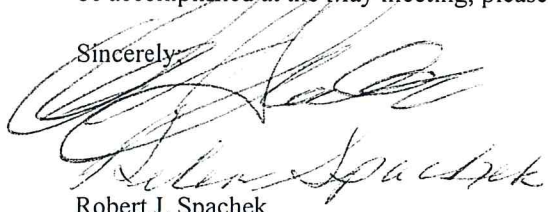

This letter is reaffirming the voice mail Helen left with you at 8:35a.m. this morning, stating we definitely want to be on the May agenda regarding the granting the variance at the Marion County Lake, 4 Rock Road.

We also acknowledge your telephone message this morning stating the application was complete.

According to the letter you sent us on April 11th. you are in receipt of our application for the two permits and the request for the variance.

Should there be anything else we need to do or give you before the meeting so this can move forward and be accomplished at the May meeting, please advise us.

Sincerely,

Robert J. Spachek
