April 10, 2020

Dear Marion County Property Owners,

In the uncertainty of times that our Country is currently facing, we are forced to adjust certain procedures.

The duties of the County Appraiser must continue on though. KSA 79-1476 states that "Every parcel of real property shall be actually viewed and inspected by the County or District Appraiser once every six years." In fulfilling the duties set forth by the State of Kansas, you are being notified that you are in the area of the county that will need to be inspected this year.

I am asking for your assistance at this time. To protect and avoid extra exposure to you, and the Appraisal staff, I am requesting that you please take the time to fill out the enclosed form and return it to the Marion County Appraiser's Office by May 15th. I am also including a self-addressed stamped envelope for your convenience.

As part of this appraisal requirement, an individual from the Marion County Appraiser's Office will need to stop by your property, possibly measure, and update photos of your property. **This letter is notifying you that we will be at your property at some point over the next few months to perform these duties. We will not be contacting you at your door this year.**

Please do not hesitate to contact the office with any questions in regards to this letter or the enclosed form.

My wish for each of you and the office staff is to keep everyone safe and healthy. This too will pass.

Thank you for your cooperation and assistance.

Sincerely,

Lisa R. Berg, RMA
Marion County Appraiser
